Certification - Kelowna, BC**

## OVERVIEW

This 285 hour course takes place onsite as well as offsite. The recommended time to finish the course is 6 months to 1 year, part time. The onsite portion of this course occurs over 6 of 7 days. There is no class on the middle day to give students a break due to the experiential nature of the course. The onsite sessions will have a strong focus on basic and advanced hypnosis techniques , counseling skills and other complementary approaches. There is a focus on the works of Dr. Milton Erickson as well as a strong practical component.

The offsite portion of the course begins when the student receives the course materials which consist of :

- 37 page course manual

### Hypnotherapy Class Sample (high speed only)

- 70 page Video Manual
- 4 DVD's (45 hours of Video)
- Counselling textbook and workbook (purchased separately)
- Therapeutic Trances textbook (purchased separately)

Typically, materials are sent out before the onsite portion begins giving the student an opportunity to start the course when the materials are received.

The student continues working with those materials throughout the onsite portion and after until he/she completes all of the assignments including a Practicum and submits them for review.

Upon successful completion of the assignments the student receives a certificate from The Orca Institute as a "Resident Hypnotherapist" and upon joining the "[International Association of Counseling Hypnotherapists](#)" receives a certificate from the association as a "Resident Hypnotherapist". The Orca Institute is also an approved school with the American Board of Hypnotherapy and is registered with the [PCTIA](#) (Private Career Training Institutions Agency of BC).

#### Who should attend?

The intent of this course is to provide the student with the hypnotherapy and counseling skills necessary to be in private practice or as complement to an existing practice in the health care field. It is very experientially oriented and includes a broad spectrum of therapeutic approaches. It is well suited for anyone in the complementary Health Field or for individuals who would like to start a new career. There are no academic pre-requisites for this course as it starts from basic Counselling and Hypnotherapy skills.
